ABOUT US

The Center for the Study of Hellenic Language and Culture (HeLaS) for more than two decades has been developing educational and research activities with main focus on the love of the Greek language and Greek culture, the cross-cultural and multicultural contact and interaction of young people from all over the world with a vision of peace and friendship between people.

Greek is your next goal

lessons in class/online

Weekly lessons (in class/on line) with experienced teachers. We teach the greek language ecually focused on oral and written speach.

tailor made programs

We will plan together a course that fits on your educational needs and matches your timetable.

Students dormitories

We offer comfortable dormitories to our students in a low cost, close to our teaching center and to the university library.
