- Mode: physical presence
- Registration ([link](https://docs.google.com/document/d/1v9Ga-ZDpXwQdlfDwhesrdr_8K2a3cCH_/edit)): https://docs.google.com/document/d/1v9Ga-ZDpXwQdlfDwhesrdr_8K2a3cCH_/edit

Distinguished colleagues,
Dear valued partners,

Thank you very much for your kind collaboration with us so far.

It is our great pleasure to invite you to the **multiplier event** of our Erasmus+ project „ReTrans” (*Working with Interpreters in Refugee Transit Zones: Capacity building and awareness-raising for higher education contexts*) that will take place on **16th of January 2024, 10.00–14.00, Amphitheatre 1**, at the “Blaze Koneski” Faculty of Philology in **Skopje**. The event will be rounded off by a reception.

On this occasion we would like to take the opportunity to present you the main goals of our project and a targeted selection of our project results (survey, vodcasts & educasts) followed by a discussion with you and our distinguished panellists on topics including:

First panel:

- What kind of needs do refugees have, when they enter North Macedonia?
- Which role does interpreting play in that context and is there a legal frame?
- How do the institutions cooperate with interpreters, regional and interregional?

Second panel:

- What challenges are interpreters and stakeholders faced with in North Macedonia?
- What progress has been made and what is still to do?
- How can the situation be improved for both sides: interpreters and stakeholders?

Please **confirm your participation by 22th December 2023**.

In the meantime, please visit our website to see the project results achieved so far at the following link:

<https://www.retrans-interpreting.com>

The project “ReTrans – Working with Interpreters in Refugee Transit Zones” is funded by the European Union.
